THE MEASURE APPROVED BY THE REPUBLICANS.

FarmersMay Sell Without Restraint Important Changes in the Metal Schedales.

WASHINGTON, March 19.-The Republican members of the ways and means committee have agreed upon every point of division on the tariff schedules and the reductions to be made from internal revenue, and will present

Internal Revenue Features. The internal revenue features of the bill are as follows: The entire abolition of all special taxes upon dealers of all kinds, commonly known as licenses; the tax upon snuff will be repealed; half of its magnitude, if I were to tell you. It's a grand brautiful epic, this growth of the Southland—from the Potomac to the Mississippi there is a flood tide of progress in all branches of productive wealth—towns, villages and cities are feeling the among their keel. There is no stagnation. East Tennes-

are some reductions and no advances in duty.

The earth, earthenware and glassware schedules remain substantially as in the existing law.

few changes from existing law. There

There are a number of important in any other section I have visited. I predict for Southwest Virginia one of the greatest and grandest industrial that the banquet came off at local predict for Southwest Virginia one of the greatest and grandest industrial est affairs that has been given here is made dutiable at 6-10 cents per changes in the metal schedule. the greatest and grandest industrial movements that has over been known in the South. My mail brought me last might eight letters from the East—all asking information about this particular to tickle the palate of the most fastid-cents a pound, which is a reduced from 1; cents to 6-10 to tickle the palate of the most fastid-cents a pound, which is a reduced from 2; cents a pound, which is a reduced from 1. present rate being \$17 a ton, a reduc-tion of \$1 a ton and a reduction in the rate fixed by the senate bill.

The duty on steel rails is reduced \$4 a ton The duty on tin plate has been increased to 2 2-10 cents a pound. Pig

There is a crease in the duty upon

In the lumber schedule the duty on sawed boards, planks and finished lumber is reduced 50 per cent. from the present rate. There is a special provision inserted that in case Canada lays an export duty upon lumber then duties shall be collected according to the rates under existing laws.

Agricultural Products There is an increase generally along the entire list in the duties upon agrinace builders, of Pittsburg; J. F. Gloccester, N. J., March 19.—It is Connerly and W. C. Franklin, of Pamplin City, Va., J. B. Garst, B. G. Bardy, J. T. Hall, H. M. Carter, C. O. Murray John Carson and Captain The duty on agricultural seeds is increased. The duty on rice is reduced from 2; to 2 cents a pound; rice flour and rice meal from 1 cent to 4 cent a

pound and broken rice to i cent a pound. Butter and substitutes therefor, have Butter and substitutes therefor, have the duty increased to 6 cents a pound. The duty on eggs is raised to 5 cents a dozen; potatoes to 25 cents a bushel. Hides, which are now on the free list, are made dutiable at 1½ cents a pound. There is a small increase in the duty upon fruits. Oranges and lemons in packages of 1½ cubic feet or less 25 cents per package; in package exceeding 1½ packages of 14 cubic feet of less 23 cents per package; in package exceeding 14 and not exceeding 24 cubic feet, 50 cents a package. Raisins 24 cents a pound duty. Advances in duties have gen-erally been conceded the farming in-terests where it is believed increased duties will horafit the farmer.

duties will benefit the farmer.

Spirits, wines and other beverages have been left as found in existing law. Salt also has not been touched.

Cotton manufactures are left substantially as in the senate bill. Jute, ma-nila, sun and sisal grass are put upon the free list, as is wool degras, which enters into the finishing of leather. A enters into the finishing of leather. A reduction is made in the duty on binding twins

The Wool Schedule.

In the wool schedule, wools of the first class, known as clothing wools, 11 cents a pound; wools of the second class, known as combing wools, 12 cents; carpet wools, valued at 12 cents or less, 3½ cents per pound; valued at over 12 cents, 8 cents per pound.

This is a reduction of one-half cent a pound from the senate bill and an increase of 11 cent from the present law.

It is believed, however, that the definitions and classifications and restrictions provided for will make this duty even more valuable to the wool growers than

the duty fixed by the senate bill. Sugar under and including 16 Dutch standard is made dutable at 35 per cent. and above 16 Dutch standard at 40 per cent. This gives 5 per cent. ad-40 per cent. This gives 5 per cent additional duty to the refiners and as the standard is raised from 13 to 16 the people of the United States will be enabled, in case the refiners combine to put up the prices, to import sugar which will be in every way fit for family use. This is a cut in the duties upon sugar of from 50 to 60 per cent.

Molasses is made dutiable at 25 per cent, ad valorem, the present rate being specific. This is a considerable reduction.

Washington, March 19.—Mr. Sherman reported in the senate a substitute for his antitrust bill with the alleged unconstitutional features eliminated. Consideration of the urgent deficiency bill was continued until 2 o'cifek, when Mr. Hawley spoke in opposition to the Blair bill and Messrs. Moody and Chandler argued briefly in its support. Severa' public building bills were passed.

The hoase in committee of the whole discussed the pension appropriation bill.
